PETITIONING THE COURT

To incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on 1/19/2024 and 2/21/2024.

On August 25, 2023, an officer with the U.S. Probation Office in Spokane, Washington, reviewed a copy of the conditions of supervision with Mr. Harrington, as outlined in the judgment and sentence. He signed a copy acknowledging the requirements.

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

7

Special Condition #7: You must not enter into or remain in any establishment where alcohol is the primary item of sale. You must abstain from alcohol and must submit to urinalysis and Breathalyzer testing as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from this substance.

Supporting Evidence: On or about February 14, 2024, Isiah Harrington allegedly violated special condition number 7 by consuming alcohol.

Re: Harrington, Isiah James**March 1, 2024****Page 2**

On February 21, 2024, this officer spoke with the offender's treatment provider with Breakthrough Recovery (BR), to verify that Mr. Harrington had become engaged in treatment as required.

During that conversation, the treatment provider mentioned that the offender had admitted to consuming alcohol on or about February 14 and February 17, 2024; as a result, he was required to sign a behavioral contract. According to the information received, the behavioral contract notes that any further instances of substance abuse will result in the offender's enrollment in a higher level of care.

On February 29, 2024, Mr. Harrington reported to the probation office and admitted to the consumption of alcohol on or about February 14, 2024; the offender was although adamant that he had not consumed alcohol on February 17, 2024. The offender ultimately signed an admission of use form confirming that admission.

The U.S. Probation Office respectfully recommends the Court to incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court.

I declare under penalty of perjury that the foregoing is true and correct.
